McAuley Place provides care and service to frail aged senior citizens of Rockhampton and surrounding districts.

## Accommodation

Management reserves the right to move a resident senior citizen between or within Mercy Aged Care Services facilities as care needs alter, following consultation with the senior citizen, relative or representative.

## Accommodation Payment

As from October 1 1997, all incoming senior citizens to Mercy Aged Care Services facilities may be asked to pay an Accommodation Bond or Accommodation Fee if they are assessed to be financially able to do so. This is in accordance with the Commonwealth Aged Care Act 1997.

All incoming senior citizens will be asked to supply an Assets Assessment from Centrelink or DVA. The Assets Assessment application form is available from Centrelink or can be obtained from Mercy Aged Care Services Administration.

The Accommodation Bond is dependent on the person's individual financial circumstances. This amount is repaid in part to the senior citizen (or their estate) when they leave Mercy Aged Care Services. (More detailed information will be explained at a confidential interview)
